## NEWS AND VIEWS...

### And What Have You

By BOB CRAIG

If Friday night's contest is any indication, the Pied Pipers are going to have another exciting team to watch this year. More than likely they will come up against more opposition in future games than Rotan offered Friday night but with this kind of explosive offense they should be an exciting team to watch against any kind of opposition.

Friday night's game was one of those kinds that only a home town fan could enjoy and even then you had to feel for the kids on the other side. They tried hard but were just completely out matched.

It was one of those games that neither coach likes to see. The losing coach really has his work cut out for him this week as he tries to bring his kids back up from such a loss. And the winning coach has a hard time keeping both his team and his fans from getting carried away after such a one-sided victory.

But there is not much you can do after you have cleared the bench and your team keeps on scoring. No coach is going to tell any of his kids not to do their best when they are on the field.

The problem this week will be getting ready to play Haskell Indians, a team that has always played well against the Pipers.

Well, after Sunday morning's announcement by President Gerald Ford on the pardon for former President Richard Nixon, we expect that the so-called honeymoon is over for our new president. Not so much from the standpoint of the people or even the elected representatives (although many are expressing displeasure over Ford's action) but mostly from the tv news people and the Eastern press.

From our vantage point here in rural West Texas we do not know if President Ford made the right move or not. But we do know that this country did not need a couple more years of dragging a former President through the courts. If this action will help end the Watergate period of our history then we expect that it was the right decision.

Like most major decisions that the man in the White House must face, only time will tell if it was the right one. One thing about it, what's done is done and no amount of bickering by the press or any one else is likely to change the decision that President Ford has made.

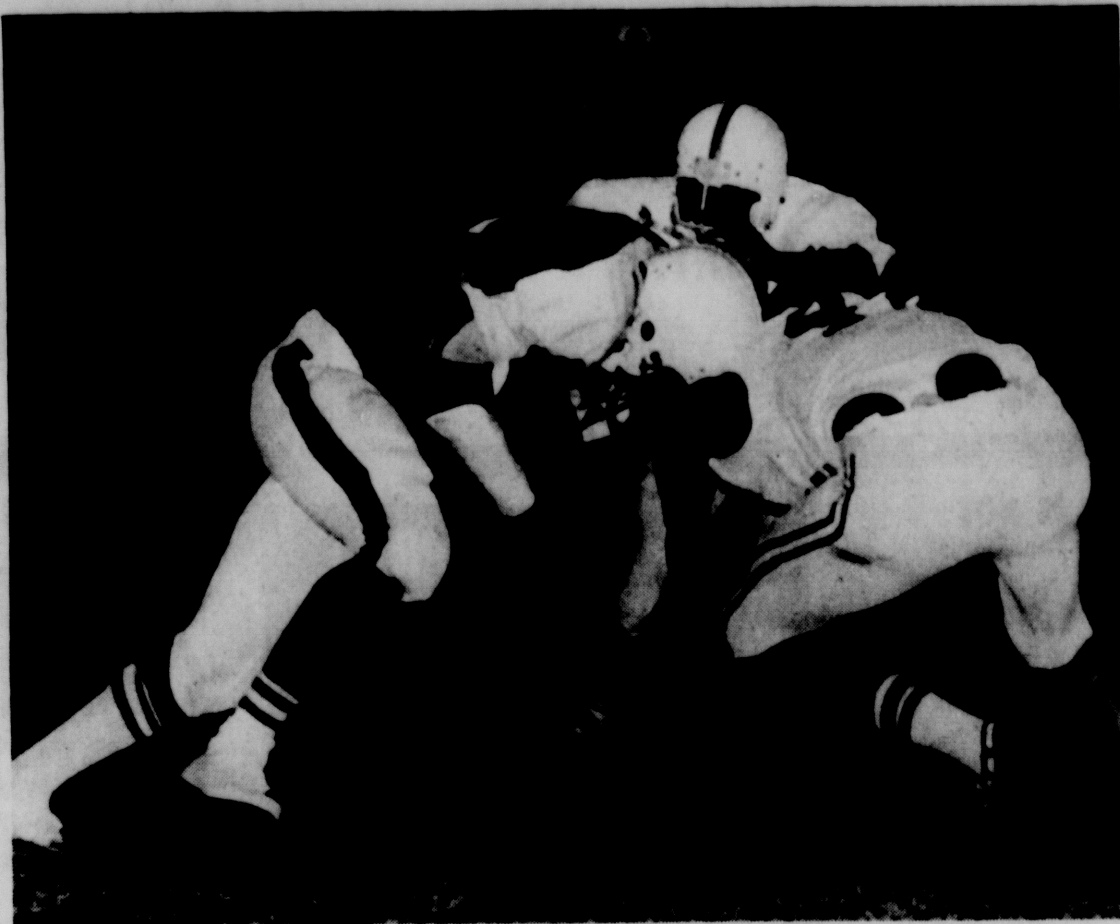

We suspect that what bothers most of those in Washington is the fact that the President made the decision on his own and did not throw the question out for them to voice their opinion on it.

In the final analysis, it all boils down to how you felt about Nixon from the very beginning. Those who have always been Nixon haters would have only been satisfied with Nixon spending his remaining years either in prison or in disgrace. They are not interested in justice—just revenge. Those who have been Nixon fans will applaud the President's decision and feel that it was the only right move to make. The rest of us caught somewhere in between can only wonder if this was indeed the right move and at the same time hope that this will indeed bring the matter to a close.

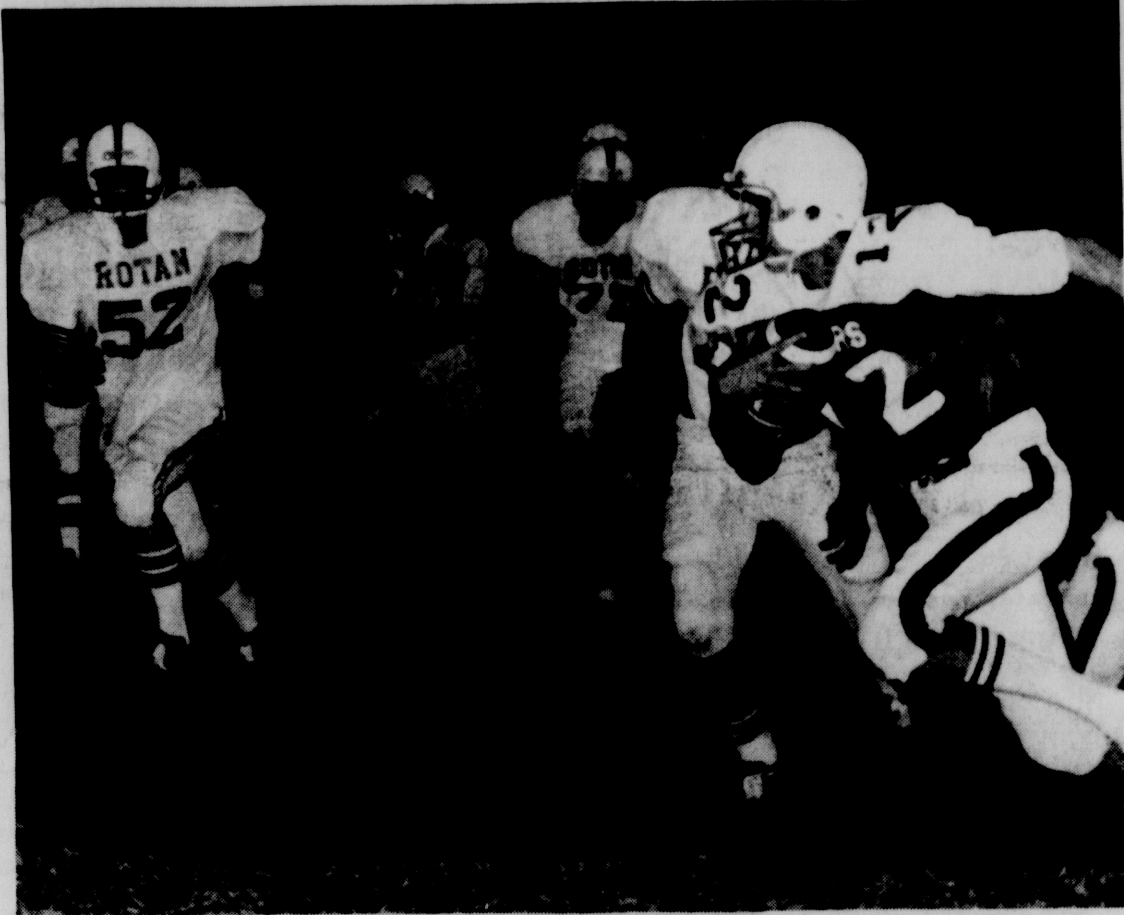

One keeps hearing the cry "equal justice for all," but in all reality equal justice for all is only a dream. While this nation comes closer than most to offering equal justice for all, we still are a long way from this ideal goal. The fact of the matter is that none of us really know what equal justice is. Is it an eye for an eye or do you temper justice with mercy? Where does rehabilitation fit in to the question of equal justice?

We do not have the slightest idea

**WE GOT YOU... WE THOUGHT**—Two Rotan Yellowhammers close in on Johnny Jones (left) for a sure tackle only to find themselves on the ground as the powerful runner goes on downfield for another 20 yards before being stopped. Jones was the night's leading ground gainer with 178 yards in 13 carries for three touchdowns. The night's efforts put the senior All-State running back over the 4,500 yard mark. In 32 varsity games the speedster has carried the ball 472 times for 4,528 yards. (Photo by Tim Jones)

**KEEPS ON THE OPTION**—Tracy Rowland (12), senior quarterback for the Pipers, keeps the ball on the option play and gains 12 yards for the Pipers. Rowland carried the ball three times for 22 yards against Rotan in the Piper's 62-0 win over the Yellowhammers and completed three of six passes for 126 yards and two touchdowns. Rowland also kicked six of seven extra points. (Photo by Tim Jones)

## REEVES TO WAGE CAMPAIGN—

### County Demos Name Roy Lane Assessor Nominee

Anson motel owner Roy L. Lane was chosen as the Democratic nominee for Jones County tax assessor-collector by the county Democratic Executive Committee at their meeting held Wednesday, Sept. 4, in Anson.

Lane, 64, was chosen over Herman Reeves who has served as temporary tax assessor-collector since the resignation of Louis Johnson June 30. Reeves resigned his position as Anson Mayor to be the temporary tax assessor-collector.

Lane has no Republican opponent in the Nov. 5 general election, but Reeves announced this week that he would be a write-in candidate for the post. Reeves said Monday that many voters in Jones County had asked him to enter a write-in campaign for the office and that after a great deal of thought he has decided to wage such a campaign.

In his statement, Reeves said, "I have given this a great deal of thought and in view of the controversy that appears to have arisen over my appointment to the

position by the Commissioners Court and the selection of the County Democrat Executive Committee to place another name on the ballot in the November General Election, I have decided to wage the write-in campaign."

He added, "I believe it is important that the voters of

### First Bale Received Here Wednesday

Hamlin Farmers Compress received the first bale of the season Wednesday morning, according to Charles Reed, assistant manager. Alton Terrell of Anson, who farms three miles east of Radium, received a \$50 premium for the first bale.

The bale weighed 535 pounds and the cotton was hand pulled. It was ginned Wednesday morning at Radium Gin.

Jones County should be given an opportunity to decide on the one that is to serve in this position. I believe the Executive Committee and the Commissioners Court made their selection to the best of their abilities on the information they had at hand. There were two members of the Executive Committee that were unable to be present when the selection was made to place "another name" on the ballot in November.

Lane and his wife and a son have lived in Anson 3½ years. He served as clerk of the 91st District Court in Eastland 26 years before resigning Mar. 1, 1969. He also served as deputy tax assessor-collector in Eastland County for more than two years.

Lane, who owns and operates Lane's Motel and Camper Park in Anson, was defeated by incumbent Leon Thurman in the June runoff for Jones County Judge.

### Singing Sunday

Third Sunday Singing at Calvary Baptist Church will begin at 2 p.m.

## Pipers to Play Indians At Haskell Friday At 8

The Pied Pipers will be seeking their second win of the young season when they take to the road to play the Haskell Indians in Indian Stadium Friday evening. The kickoff is set for 8 p.m.

The Indians, playing in Class A this year, will be seeking their first victory following their defeat last Friday at the hands of the Anson Tigers, 25-0.

The Pipers, defending District 6-AA champions, defeated the Rotan Yellowhammers, 62-0, in their opener here Friday. The Stamford Bulldogs were the lone member of District 6-AA that lost in the opening round of non-conference action.

The Bulldogs lost to Breckenridge, 33-0. Joining Hamlin and Anson in the winners circle were Winters over Clyde, 12-6, Ballinger over Brady, 7-2, Colorado City over Slaton, 13-6, and Coahoma over Reagan County, 20-6.

Coach David Bonds' Pipers came out of their skirmish with Rotan with only minor aches and bruises and are expected to be in good shape for the Indians Friday night. Coach Bonds is expected to start the same offensive and defensive units against Haskell that started against Rotan.

The Indians are expected to operate most of their offense out of the Tandem "I" formation with Gary McAdams, 165 pound quarterback, leading the Indian attack. Running in the backfield with McAdams will be Chris Love, 160 pounds, at tailback and Jim Pippin, 150 pounds, at fullback. At tandem back will be Randy Phemister, 175 pounds. McAdams is rated as a good ball handler and a good passer. Love is rated as a good running back who is

especially tough in open field. Scouting reports indicate that Pippin runs the trap plays real well and as in the past the traps are one of the favorite plays of the Indians.

Both the split end and the tight end are good pass receivers with Johnny Hawkins, 165 pounds, at tight

end, and Calvin Marshall, 150 pounds, at split end. The Indians flip-flop their line and at the tackle positions will be Johnny Larned, 175 pounds, and Charles Gray, 195 pounds. Playing guard will be Jamie Mickler, 170 pounds, and Adam Sanchez, 145 pounds and Les Lane, 175 pounds will be at center.

## Campaign for Cystic Fibrosis Planned Here

The month of September has been officially proclaimed Breath of Life month by Mayor Joe E. Ford and plans for the local Cystic Fibrosis drive are being made by Mrs. Fred Smith, chairman.

Mrs. Smith is hosting a coffee Monday at 9:30 a.m. at her home, 915 West Lake Drive, for all workers and others interested in the CF campaign on behalf of children who suffer chronic respiratory diseases.

Workers will receive street assignments and materials at the coffee. The women will be going door to door in the residential area during the week of Sept. 16-21.

Mrs. W. L. Hunter and Mrs. Robert Cary will canvass the business district.

The workers include Mmes. Leone Brown, Mattie Griffin, Paul Goodgame, E. A. Hewett, Bill Davis, L. B. Bruner, Johnny Waldrop, Jack Vaughan, B. V. Newberry, LaFoy Patterson, Lewis Madden, Erma Wallace, L. W. Shivers, Donald Young, Horace Drive, Edgar Duncan, A. G. Miller, Harold Nelson, Joe Norton, Ira Parker, Ken Prewitt, Archie Carson Jr., Harold Williams and E. A. Lawlis.

Other volunteers are urged to contact Mrs. Smith at 576-3747.

"We have dedicated volunteers, a national organization, renowned scientists and researchers and 100 diagnostic and treatment centers," Mrs. Smith said. "What we don't have is enough money. That is why the Lone Star Chapter, National CF Research Foundation, is appealing for financial support to expand research and care programs through the Breath of Life Campaign."

Contributions to the annual Breath of Life Appeal help support patient care in CF centers, many in teaching hospitals affiliated with leading medical schools. CF Centers offer expert diagnosis and treatment for children with CF as well as those suffering severe asthma, chronic bronchitis, bronchiectasis and a condition sometimes called "childhood emphysema."

Funds are also used for research conducted by scientists throughout the world to find the causes and a cure or more effective control for cystic fibrosis. CF strikes one in approximately every 1,000 newborns, the result of both parents carrying the recessive gene for cystic fibrosis. It is believed that about 10 million Americans are "carriers" for the gene for CF.

## Three Games Here Today

Three games will be played here today (Thursday) with Haskell with the seventh graders opening the action at 5 p.m. They will be followed by the eighth graders at 6 and the Junior Varsity at 7. The Hamlin freshmen will travel to Colorado City with their game set for 7 p.m.

Last week the local Junior Varsity hosted the Rotan JV's here with Hamlin winning, 40-6. The other three teams traveled to Aspermont with the seventh and eighth graders winning and the Freshmen losing.

The seventh grade won, 8-0, and the eighth grade won, 16-8. The Freshmen lost to the Aspermont Junior Varsity, 20-0.

## Church to Host Living Hands Singers Here

Dates for a return engagement of The Living Hands Singers from Waxahachie have been set for four appearances Sept. 20, 21 and 22, according to the Rev. Carl Amburn, pastor of the Assembly of God Church here.

The group is made up of 15 students from Southwestern Assemblies of God College and Winnie Dean, soloist. Chip Hawkins, the director will be singing and also will be interpreting in sign language for the deaf.

Presentations will be Friday and Saturday at 7:30 p.m. and Sunday at 11 a.m. and 6:30 p.m.

R. D. Caldwell has returned home after a 10-day stay in West Texas Medical Center in Abilene.

## Brenda Hodges To Present P-TA Program

Brenda Hodges, director of the Stamford outreach center of Mental Health and Mental Retardation (MH&MR) will present a film for the opening meeting of Parent-Teachers Association today (Thursday) at 3:40 p.m. The film "Just a Minute" concerns everyday family problems.

The meeting will be held in the primary cafeteria with Mrs. Guy Weaver, president, presiding.

A question and answer period will be held following Miss Hodges' program.

Miss Hodges, a graduate of Lueders High School received a BA degree in sociology from Hardin-Simmons University and has done graduate work at University of Texas at Arlington.

She worked 5½ years in the welfare unit in Fort Worth and was supervisor for two years.

Her parents, Mr. and Mrs. Dub Hodges now live in Abilene.

Free babysitting will be provided during the meeting.

## Date Change

Date for the In-Service training day for teachers has been changed from Monday, Oct. 14, to Monday, Oct. 21, according to Bob Hawes, Hamlin School Superintendent. Hamlin students will be dismissed from school on this day, he said.

The Hamlin Ag Club will meet Tuesday at 8 p.m. at the Ag. Building. The purpose of the meeting will be to make plans for the remainder of the year.

REV. MRS. WILSON  
... set revival here

## Foursquare Sets Revival Service Here

The Rev. Carl Wilson of Abilene, a full time evangelist, will conduct a four day revival at Foursquare Gospel Church beginning Sunday evening. Services will be held nightly at 7:30 through Wednesday. Sunday evening, Rev. Wilson, a former alcoholic, will tell his personal testimony of his conversion in a roundhouse yard in 1934.

He conducts tent revivals over the country. He has also been abroad with his ministry. He is also a musician and plays the piano, organ, trombone, violin and guitar. He uses these instruments in the services.

He and his wife are graduates of L.I.F.E. Bible College in Los Angeles, Calif. Also an ordained minister, Mrs. Wilson assists in the services and leads the singing.

The Rev. Claud Fry, pastor, and the congregation extend an invitation to the public to attend.

## Homemakers Install New Officers Here

A salad supper and installation of officers of the Hamlin Chapter Young Homemakers of Texas, was held Tuesday, Sept. 3, in the high school homemaking department.

Officers installed for the 1974-75 year were: Marcia Moore, president; Kathe Daniel, vice president; Jean Jeffery, secretary; Mary Ann Pritchard, treasurer; Judy Warner, reporter; Ann Hubbard, historian; Paula Butler, parliamentarian. Glenda Willoughby was installing officer.

Various subjects were discussed. Among them were the programs and projects for the coming year.

One of the projects discussed was a bake sale to be held Saturday Sept. 21, at 10:00 in front of the Thrift-Tee grocery. Each member is asked to bring one cake, two pies, or two dozen cookies, brownies, etc. Another project will be held Sept. 17. Members of the Young Homemakers will carry cake to the Holiday Lodge Nursing home residents. Cake will be served to the residents and afterwards, games will be played.

Members present were Marcia Moore, Anita Reid, Jean Jeffery, Vicki Warner, Kathe Daniel, Betty Self, Linda Frazier, Judy Warner, Sandra McCoy, Rita Oliver, Debbie Vickers, Ann Hubbard, Louise Pena, Margaret Lujan, Sue Giddings and Grace Oliver. Advisors present were Glenda Willoughby and Edith Carter.

All young women that wish to join Young Homemakers are urged to attend the next meeting Oct. 7. The deadline for all dues to be in is Oct. 15.

Mr. and Mrs. Herman E. Sharer visited Mr. and Mrs. Gary Connally and Shelley of Hico, Mr. and Mrs. Donald Wright, Ricky, David and Larry of Fort Worth, and Mrs. W. H. Miller and Mrs. N. O. Crockett of Denton while on vacation.

## A Better Way

TO SAVE YOU TIME AND MONEY

### FIFTEEN TIPS FOR MORE EFFICIENT FREEZING

You can put the freeze on high food prices if you use your freezer with forethought. The home economics experts at Whirlpool Corporation offer these cool suggestions:

1. Leave enough space in the freezer (one-quarter to one-third of its capacity) to take advantage of good food buys.

2. A freezer used just for long-term storage cuts no ice. It generally will not pay for itself and is a waste of food, electricity, and space. There should be a steady turnover into and out of it to make it profitable.

3. When you do keep food in the freezer, put in only two to three pounds of food per cubic foot of freezer space at a time. A twenty-cubic foot freezer, for instance, can take sixty pounds of frozen food at one time, placed in a single layer for quick freezing.

4. Label each package with its contents, date, and number of servings. Make a point of using a wax crayon or marking pen that's not affected by moisture.

5. Use a wall chart or notebook to record all the ins and outs of your freezer. A record is useful for shopping and selecting recipes and may keep you from going up the wall when you're unexpectedly out of a food item.

6. You can foil "freezer burn." Your food is well wrapped. Use carefully sealed moisture and vapor proof containers to keep food from dehydrating or drying out.

7. Don't use food containers not designed for freezing, or you may be in for a costly loss of quality and flavor.

8. Be expansive about space, don't fill a container too full. Allow room for the contents to expand or the top may come off. If the container is glass, it may even crack or break, instead of simply flipping its lid!

9. Blanching is one of the most important steps in freezing vegetables. Blanching or scalding is a hot process that arrests enzymatic action and stops ripening or maturing. It also helps vegetables retain color, stabilizes vitamin content and aids in vitamin retention.

10. The ice age has not yet arrived for mayonnaise, raw potatoes, potato salad,

hard cooked eggs, eggs in shells, fresh tomatoes, cracker canapes, cornstarch-based desserts and egg white frosting. Don't freeze them.

11. You may not have known it, but you can freeze nuts, margarine, large ice molds, apple cider, fruit juices, candied fruits, caramel candies, divinity, marshmallows, whipped heavy cream, potato chips, chopped fresh herbs, chopped green peppers, waffles, pancakes, orange and lemon peels.

12. It's best not to re-freeze foods which have been thawed. There's bound to be a quality loss.

13. When making favorite recipes, sauces, and soups, double the batch and put half into the freezer as a reserve.

14. Freeze foods in manageable sizes, such as individual servings in sealed bags, casseroles for four, etc. Cut and wash chickens before freezing.

15. Freeze portions of gravy or meat stock in an ice-cube tray. After they're frozen, remove and place individual cubes into freezer bags and use as needed.

If you follow these hints, you should be able to skate through the thin ice the economy is currently on without being out in the cold at meal times.

### Beta Theta Holds First Meeting Here

Beta Theta Chapter of Beta Sigma Phi met Saturday for the opening salad luncheon in the home of Mrs. Parker Kelley. The theme for this year's meetings is Stairway to Happiness.

Secret sisters were revealed with presentation of gifts.

Mrs. Randy Brown was given a surprise baby shower for her daughter, Holly.

In August, Beta Theta met in the city park with their families for a cookout.

The next meeting will be held Wednesday, Sept. 18, in the home of Mrs. Pat Willoughby.

### Baptist Women Hold Meeting Here Monday

Mrs. Bobby Stubblefield was hostess for the Monday meeting of the Baptist Women and The Day Group of First Baptist Church in the church parlor.

Mrs. Melvin Scott and Mrs. V. M. Wallace gave the program "Pray and Give for State Mission, Week of Prayer Sept. 8-14, Goal \$1,111,111.11." Mrs. Scott gave the call to prayer.

Mrs. Andy Brown played the piano and the group sang "It Took a Miracle" by John W. Peterson.

Refreshments of dip and chip crackers, cookies, cake, tea and coffee were served.

Others attending were Mmes. Fred Rosenbaum, S. C. Ballew, A. F. Haught, Edgar Duncan, Howard Jones, Herman Sharer and Miss Viola Avants.

Mrs. Haught gave the closing prayers.

### B&PW Club Holds First Meeting Here

The Hamlin Business and Professional Women's Club met Tuesday evening at Hamlin Restaurant for the opening business meeting of the new club year. Mrs. E. W. Ueckert, president, presided.

Mrs. Ueckert reviewed the objectives for the year and expressed goals to elevate the standards, promote interest, and bring about a spirit of cooperation of Business and Professional Women.

Others present were Mmes. Etta Bond, W. O. Hays, W. C. Hargrove, Luther Haught, Melvin Scott, E. O. Sipe, I. R. Witt, Frank Shearer and Miss Viola Avants.

The next meeting will be Sept. 24 at 7 p.m. in the home of Mrs. Ueckert.

HAD A PARTY? That's news, call the HERALD.

### Extension Agent Gives Tips On Buying Beef

Housewives are often at a loss when it comes to choosing among beef roasts offered at meat counters. It's hard to decide which would serve the family's needs best, Mrs. Nedy Wilburn, Assistant County Extension Agent, noted.

Each cut may vary in quality and tenderness depending on the particular carcass and location of the cut on the animal.

As a general rule, the agent explained that cuts of beef

from the lesser muscles along the animal's back—rib and loin sections—will always be more tender than cuts such as the shoulder, flank and round from the active muscles.

Of course since one beef carcass has only a few of the tender cuts, they are in great demand and generally more expensive, she said.

Turning to specific cuts, Mrs. Wilburn said the rib and ribeye roasts are both tender, extremely flavorful and easy to prepare and serve.

The rump roast is flavorful, though less tender than the rib and contains a large amount of bone.

The sirloin tip is boneless, but despite its name, is not as tender as a sirloin steak.

The eye-of-round roast is lean and meaty with a good flavor. All these roasts take over roasting well.

Less tender cuts which should be cooked in liquid include the heel of round, chuck roast and brisket, she said.

The teacher, Mrs. Britt Baker, opened with prayer.

Hostesses were Mmes. Carl Young, D. O. Waymire and Jack White.

Mrs. Fred Rosenbaum, assistant outreach leader, was in charge. Mrs. Waymire gave the devotional.

FROM THE FILES . . .

**FIFTY YEARS AGO**  
(September 18, 1924)  
Monday, Sept. fifteenth, marks the opening day of the West Texas Baptist Sanitarium. It is also the opening day of Simmons College for 1924-25.

The past week has been good to open cotton. The Hamlin gins and cotton yard have received many bales over the previous week. The general estimates for this year's crop keep ranging around the 10,000 mark. Some think it will be less and some believe it will be more. Evidently the turn-out will be determined by the amount of rain in the next few days. Should it rain plentifully there will be much more made and later in opening, however, if it continues to be dry it will not be long in getting the crop gathered.

Wednesday morning as was the program, the Hamlin Public School opened for the 1924-25 term. Every indication seemed to point to a successful year. Probably the largest number of parents was present that has been there in a long time. The large auditorium was crowded with students and visitors. Superintendent Green had a well thought out program, consisting of songs, addresses, special solos and announcements, all of which contributed to a very pleasant and auspicious start of the school.

Sunday night was the closing services of the few days meeting that was being conducted by Rev. A. W. Reeves, of Mt. Pleasant. The time was necessarily short, because Rev. Reeves time here was only "a between season period." But while he was here there was unusual interest taken in every service conducted.

**TWENTY YEARS AGO**  
(September 10, 1954)  
One of the highlights of the first annual Tri-County Jubilee, Saturday will be the naming and coronation of the Jubilee Queen, in which scores of people are interested.

Although drilling activity in the Hamlin region continues to be below normal, one producer, a deepening project and three new tests highlight the oil picture for the past several days.

Plans are being formulated for the erection of a new meeting house for the Faith Methodist Church in Northwest Hamlin, it is revealed by Rev. Orion N. Lewis, pastor of the congregation.

One of the climaxing events of the afternoon and evening of festivities of the Tri-County Jubilee at Hamlin Saturday, Sept. 11, will be the three-hour program to be presented by talented amateurs of the region.

Annual get-acquainted gathering for teachers in the Hamlin Schools and citizens of the town is slated for next Thursday evening at the Primary School building. The affair will get underway at 7:30 o'clock. It is sponsored each year by the Elementary Parent-Teacher Association as a welcome to the teachers.

Rev. Darris L. Egger, pastor of the First Methodist Church, returned first of the week from Vera, where he conducted a revival meeting in the Methodist Church.

**TEN YEARS AGO**  
(September 10, 1964)  
Competition is expected to get rougher this week as the Pipers journey to Olney for their second start of the season. While the Pipers were busy overcoming their mistake last week in defeating Rotan, Olney was upsetting highly regarded Albany 20-15.

More than one thousand students are enrolled in the five public schools here according to C. F. Cook, superintendent. The total enrollment of all schools is 1065 as compared to 1053 enrolled the first week in 1963.

The Boy Scouts of Troop 43 will have a Benefit Day at Burt Oliver's Service Station Saturday with the profit from all gasoline sales going to the Troop.

The Freshmen and "B" team will play Colorado City there tonight. Freshmen will begin at 6:00 and the "B" team will follow.

Mrs. Ned Moore, secretary of the Hamlin Board of Community Development, attended a meeting in Abilene, Thursday for representatives of area Chambers of Commerce. The group discussed a name for the district to focus attention on the general area.

NEWS AND VIEWS. . .  
**And What Have You**  
Continued from page 1

of just what, if any, crimes that Nixon is being pardoned. But in our scale of justice where would they fit in as compared to that of taking another's life? For this crime we seem to offer parole within at least three years. So again we wonder what is equal justice.

If President Ford did open up a problem with his pardon of Nixon is what do you do with the other people involved in this matter.

When you consider equal justice, you must also consider equal punishment and how do you measure the embarrassment and loss of prestige suffered by everyone connected with the whole Watergate matter. Does imprisonment offer anything near the punishment that public disgrace holds for a man in the public limelight?

Sure, there will be public clamor to string the rascals up, but then you hear that with just about every case that comes to trial and a number that don't.

About all we can say in conclusion is that while President Ford has made his decision we can only hope that it is the right one and that it is one that will speed this nations attention on to the more pressing matters facing us at this time.

**Neinda Philosopher Dying to Know  
Who Owns 700 Best Brains In U.S.**

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One is back on inflation again this week.

Dear editor:  
Inflation reminds me of a famous statement—I forget who made it—about unemployment: "When you have high unemployment a lot of people are out of work." When you have run-away inflation you're in for some awfully high prices.  
That's all I know about it, but what intrigues me is the attack that's going to be made on this world-wide problem. As I understand it, 700 of the "best brains in the United States" are being called to Washington for a summit conference to figure out what to do about it, all wearing belts I guess so they can tighten them.  
I'm not interested at this point in their answers which will range from less spending to more spending, from higher taxes to lower taxes, to stiff wage and price controls to no wage and price controls, but I am interested in finding out who those 700 people are with the best brains in the country.  
For instance, will they be selected on a geographic basis? I mean, will they pick the best brains in say a Congressional district or so many per state or will they rub out such lines and just pick the best 700 brains in the whole country? Will it be by professions? Will it include football coaches? Congressmen? And who's going to do the picking?  
It's not going to be easy. For example how would you go about picking the best brain in Hamlin? What if there's more than one? What if there aren't any? What if you pick the best brain in the whole county and he can't go to the meeting because he's busy trying to cover an overdraft?  
And furthermore, if those 700 top brains have the answer to inflation, how come they've been keeping it to themselves for the last 24 months? Or have they been thinking so hard they didn't know chewing gum is now 15 cents a package, gasoline 55 cents a gallon and sugar \$2.60 a pound?  
As I see it, the cure for inflation is lower prices, if you're buying, not if you're selling.

Yours faithfully,  
J. A.

# OUTMODED EQUIPMENT

This young man certainly won't get much real cleaning done with this broom. A modern street cleaning machine would do the job so much better. His straw broom makes us think of how we try to get along without God, without spiritual values, without church. Our life would be so much better if we would exchange this life for one that knows God and practices His precepts. Without church and God we have little or no spiritual equipment. Hearing God's word preached, being with his people, working in His church, helping others through the church all give us the spiritual equipment we need for meeting life. We invite you to attend this week and make a habit of coming to God's house.

EVERYONE IN THE CHURCH  
THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## Singing Group To Give Two Programs Here

The New Life Singers will be at the Church of the Nazarene, Saturday at 7:30 p.m. and Sunday at 10:45 a.m.

This will be the fourth time this group has been in the local church and the pastor, the Rev. Marshall Stewart, said that they have been received with enthusiasm the other three occasions.

The program consists of a variety of gospel music and a devotional message by Doye Day.

In the singing group are members of the Doye Day family of Jacksonville and the Scotty Stockton family of Athens.

Rev. Stewart said, "We invite everyone in the community to join with us in

this time of inspirational music and Christian worship."

Following the Sunday morning service there will be a noon meal in the Fellowship Hall and every family is invited to bring food and join in the fellowship.

There will be no charge for the concert. Rev. Stewart said a free will offering would be taken to defray the expenses of the New Life Singers.

## FFA Chapter Names New Committees

The Hamlin FFA Chapter met Monday night for their first regular meeting of this school year.

The major item of business was appointing committees for the annual program of activities. Committees and their chairmen are Organization, Shorty McIlwain; Membership, Larry Griffin; Supervised Agricultural Occupations Experience, Richard Lee; Cooperation, Julio Villaneuva; Community Service, Gerry Young; Leadership, Jessie Ribera; Earnings, Savings and Investments, Russell May; Conduct of Meetings, David Moore; Scholarship, George Gonzalez; Recreation, Gary Neal; Public Relations, Ray Sonnenburg; Participation in State and National Activities, Donnie Nelson; and Alumni Relations, David Solis.

Other standing committees appointed were Chapter Safety, BOAC, and Educational Trip. Gerry Young heads the Chapter Safety Committee, Shorty McIlwain, the BOAC, and George Gonzalez, the Educational Trip.

The budget for the 1974-75 school year was adopted. Steve Hastings, Kayla Mehaffey, and George Gonzalez were elected voting delegates to a Double Mountain District FFA meeting in Anson September 12.

The next regular meeting will be Oct. 14. At this meeting Green Hands will be initiated and a Chapter Sweetheart will be elected.

The Pipers proved their ability Friday night with a 62-0 victory over Rotan. Gerry Young received the offensive award, William Brown received the defensive award, and Tracy Rowland received the 101 percent award. Many of the other football players were awarded stars for their ability in stopping Rotan.

hhs  
Hamlin student body elected the Student Council members. Freshman Class elected Leeia Pharris, Julie Jeffrey, Wayne Wheat and Nickey Bond.

The Sophomore Class elected Cheryl Baker, Kayla Mehaffey, Paul Reynolds and Edwin Wheat.

Junior Class representatives are Elaine Carlton, Melissa Madden, Randy Huggins and Mark Fowler. Students elected from the Senior Class are Steve Evans, Luke Reynolds and Tracy Rowland.

The Student Council will be under the leadership of Randy Elmore, president; Patrice Moore, vice president; Debi Cary, treasurer; Cheryl Lewis, secretary and Debra Hollis, reporter. Last Tuesday, Mr. Wink sponsor, and some of the members attended a planning workshop in Abilene.

hhs  
The FFA members and their mothers held a salad supper Monday night. Debi Cary, president, led a formal installation of new members.

hhs  
FFA members met Monday night to discuss plans for the coming year. FFA has a new addition to their membership—girls. Kayla Mehaffey, George Gonzales and Steve Hastings will be attending a workshop at Anson Thursday.

The Haskell JV's will come here today (Thursday) to meet the Piper JV's. The JV's won their game last week against Rotan with a 40-6 victory. Our Freshmen will travel to Colorado City. They lost to Aspermont JV's last week, 20-0.

hhs  
The annual staff will go to a workshop Wednesday in Abilene. They have begun to get things together for this year's annual. The new covers have been picked out.

hhs  
The Pipers will be going against the Haskell Indians Friday at 8:00 p.m. in Haskell. Come out and support our PIPERS!

## VA Advisory Committee

The Advisory Committee for the Hamlin High School Vocational Agriculture Department met Sept. 4 at Hamlin Restaurant for an organizational meeting. The committee serves in an advisory capacity for the production agriculture, cooperative part-time training in agriculture, and pre-employment laboratory training in feedlot management programs of vocational agriculture offered by Hamlin High School.

Holman Jones was re-elected chairman of the committee and Guy Weaver was re-elected secretary for the group. Both have two years to serve on the committee. Mrs. Joe Wayne Carter and Kenneth Hertel have one year to serve and Robert Moore and W. T. Johnson began three-year terms on the committee.

**SCORES TOUCHDOWN**—Daniel Willis (24) junior running back for the Pipers breaks loose for a 30 yard touchdown run against the Rotan Yellowhammers here Friday night. Leading the way for Willis is Delbert Thompson, 190-pound sophomore tight end. Thompson made a key block for Willis near the goal line to clear the way into the end zone. Willis carried the ball seven times against the Yellowhammers for 75 yards. Willis also intercepted one Yellowhammer pass and returned it 65 yards for a score. (Photo by Tim Jones)

# Pipers Outclass Rotan In Season Opener, 62-0

The defending district champion Pied Pipers gave the home town fans a thrill here Friday evening as they opened the new football season by completely outclassing the Rotan Yellowhammers, 62-0.

Johnny Jones, the Pipers All-State running back, led the scoring with 18 points but was joined by six other teammates in putting points on the board as the well-balanced Piper attack struck from everywhere on the field.

Senior quarterback Tracy Rowland passed for two Piper touchdowns and kicked six extra points in the versatile Hamlin attack. The Piper first offensive and defensive units rolled up a 41-0 lead during the first three periods and then turned the game over to the second units who put 21 more points on the scoreboard during the final period.

Jones carried the ball 13 times for 178 yards against the Yellowhammers for a 13.7 average. This brought his career record up to 472 carries in 32 ballgames for 4,528 yards for an average of 9.6 yards per carry. He has scored 364 points.

The Yellowhammers took the opening kickoff at their own 30 and after netting only two yards in three plays were forced to punt with the Pipers taking over on their own 36. But after Fullback Steve Evans picked up nine yards on first down the Pipers lost the first of three fumbles with Rotan taking over on the Hamlin 48. Jerry Carr carried four times for Rotan to gain a first down on the Hamlin 36. But three plays later Luke Reynolds picked off a Frank Lopez pass and returned it to the Hamlin 34.

Daniel Willis ripped off 28 yards to the Rotan 38, Jones picked up six yards, and Evans gained a first down on runs of two and six yards to the 24. Jones took the option pitch from Rowland and raced around his right end for

the first score. Rowland split the uprights for the point after.

Following the kickoff, the Yellowhammers moved back into Piper territory on a 12 yard pass play to the 43 and then gained five more yards to the Hamlin 38. But Lopez had his second pass picked off by a Reynolds only this time it was by Paul.

The Pipers drew a five yard penalty. Jones was stopped for a one yard gain and a fumbled pitch was ruled an incomplete pass to give the Pipers a three and 14 situation on their own 33. Rowland faked a short pass and then hit his tight end Delbert Thompson deep. The big sophomore raced into the end zone for a 67 yard touchdown play. Rowland again kicked the point after.

Rotan failed to make a first down on their next possession and punted out to the Hamlin 29. Willis gained six, Evans four and then Jones ripped off 27 yards for a first down at the Rotan 34. Rowland passed to split end Oscar Marshall for seven, Jones was dropped for a three yard loss, and Willis was held for no gain. Facing fourth and six, the Pipers called on Jones for a trap play over right guard and the speedster went the distance for the score. Rowland missed the extra point kick.

Rotan failed to make a first following the kickoff and punted. A penalty put the Pipers back to their own 14 and after moving out to the 38 the Pipers lost another fumble to the Yellowhammers, but three plays later Rotan gave the ball back on a fumble with William Brown recovering on the Hamlin 9.

Evans carried twice for a first down at the 29, Jones picked up five, Evans two and then Jones got another first down at the 48 with an 11 yard carry. Rowland connected with Marshall for a 52 yard touchdown pass with 2:30 left in the first half. Rowland added the point after.

The two teams exchanged punts to open up the second half with Willis returning the Rotan punt to mid-field. Rowland gained seven yards and then Jones went over his right tackle for 43 yards and the score. Rowland again added the point after.

Rotan again failed to make a first down following the kickoff and were forced to punt. Hamlin took over on their own 45 from where

Evans and Jones moved the ball to the Rotan 42. Rowland carried for 12 to the 30. Willis carried over his left tackle, dodged several would be tacklers, picked up a good block from Thompson near the goal line and slipped in for the score. Rowland's kick was good.

Rotan again failed to make a first down following the kickoff and punted out to the Rotan 46. The Piper second units took over at this point and moved down to the Rotan 21 on a 30 yard pass from Paul Reynolds to William Brown only to lose the ball on the next play on a fumble.

The second defensive unit gave up a first down on a 15 yard pass play and then forced the Yellowhammers to punt from their 32. Robert Phariss and Ricci Harugthy gained a first down at the 30, Reynolds gained six and then one and Phariss carried for 11 yards to the Rotan two. Harugthy carried in for the score and Rowland kicked the point after.

Rotan moved the ball into Hamlin territory following the kick on an 18 yard pass play to the Hamlin 38, but when Lopez tried the air route again on the next play it was Willis who was on the other end and he raced about 65 yards for another Piper score. When Reynolds failed to get the ball in position for Rowland's kick for the point after, he raised up and threw to Thompson for the two pointer.

Rotan again tried the air route, only to have Rowland take this one and return it to the Rotan 48. Harugthy carried for eight yards and then Rotan was set back 15 yards to their own 25. The Pipers drew a five yard penalty and then Phariss carried for three, Harugthy for eight, and Phariss carried the final 19 yards for the touchdown. Gerry Young tried the point after but it was blocked.

Rotan moved down to the Hamlin 29 before giving up the ball on their final possession. The Pipers ran out the clock and went into the dressing room with their first victory behind them, 62-0.

## NEWS AND VIEWS...

### And What Have You

By BOB CRAIG

If Friday night's contest is any indication, the Pied Pipers are going to have another exciting team to watch this year. More than likely they will come up against more opposition in future games than Rotan offered Friday night but with this kind of explosive offense they should be an exciting team to watch against any kind of opposition.

Friday night's game was one of those kinds that only a home town fan could enjoy and even then you had to feel for the kids on the other side. They tried hard but were just completely out matched.

It was one of those games that neither coach likes to see. The losing coach really has his work cut out for him this week as he tries to bring his kids back up from such a loss. And the winning coach has a hard time keeping both his team and his fans from getting carried away after such a one-sided victory.

But there is not much you can do after you have cleared the bench and your team keeps on scoring. No coach is going to tell any of his kids not to do their best when they are on the field.

The problem this week will be getting ready to play Haskell Indians, a team that has always played well against the Pipers.

Well, after Sunday morning's announcement by President Gerald Ford on the pardon for former President Richard Nixon, we expect that the so-called honeymoon is over for our new president. Not so much from the standpoint of the people or even the elected representatives (although many are expressing displeasure over Ford's action) but mostly from the tv news people and the Eastern press.

From our vantage point here in rural West Texas we do not know if President Ford made the right move or not. But we do know that this country did not need a couple more years of dragging a former President through the courts. If this action will help end the Watergate period of our history then we expect that it was the right decision.

Like most major decisions that the man in the White House must face, only time will tell if it was the right one. One thing about it, what's done is done and no amount of bickering by the press or any one else is likely to change the decision that President Ford has made.

We suspect that what bothers most of those in Washington is the fact that the President made the decision on his own and did not throw the question out for them to voice their opinion on it.

In the final analysis, it all boils down to how you felt about Nixon from the very beginning. Those who have always been Nixon haters would have only been satisfied with Nixon spending his remaining years either in prison or in disgrace. They are not interested in justice—just revenge. Those who have been Nixon fans will applaud the President's decision and feel that it was the only right move to make. The rest of us caught somewhere in between can only wonder if this was indeed the right move and at the same time hope that this will indeed bring the matter to a close.

One keeps hearing the cry "equal justice for all," but in all reality equal justice for all is only a dream. While this nation comes closer than most to offering equal justice for all, we still are a long way from this ideal goal. The fact of the matter is that none of us really know what equal justice is. Is it an eye for an eye or do you temper justice with mercy? Where does rehabilitation fit in to the question of equal justice?

We do not have the slightest idea

**WE GOT YOU... WE THOUGHT**—Two Rotan Yellowhammers close in on Johnny Jones (left) for a sure tackle only to find themselves on the ground as the powerful runner goes on downfield for another 20 yards before being stopped. Jones was the night's leading ground gainer with 178 yards in 13 carries for three touchdowns. The night's efforts put the senior All-State running back over the 4,500 yard mark. In 32 varsity games the speedster has carried the ball 472 times for 4,528 yards. (Photo by Tim Jones)

**KEEPS ON THE OPTION**—Tracy Rowland (12), senior quarterback for the Pipers, keeps the ball on the option play and gains 12 yards for the Pipers. Rowland carried the ball three times for 22 yards against Rotan in the Piper's 62-0 win over the Yellowhammers and completed three of six passes for 126 yards and two touchdowns. Rowland also kicked six of seven extra points. (Photo by Tim Jones)

## REEVES TO WAGE CAMPAIGN—

# County Demos Name Roy Lane Assessor Nominee

Anson motel owner Roy L. Lane was chosen as the Democratic nominee for Jones County tax assessor-collector by the county Democratic Executive Committee at their meeting held Wednesday, Sept. 4, in Anson.

Lane, 64, was chosen over Herman Reeves who has served as temporary tax assessor-collector since the resignation of Louis Johnson June 30. Reeves resigned his position as Anson Mayor to be the temporary tax assessor-collector.

Lane has no Republican opponent in the Nov. 5 general election, but Reeves announced this week that he would be a write-in candidate for the post. Reeves said Monday that many voters in Jones County had asked him to enter a write-in campaign for the office and that after a great deal of thought he has decided to wage such a campaign.

In his statement, Reeves said, "I have given this a great deal of thought and in view of the controversy that appears to have arisen over my appointment to the

position by the Commissioners Court and the selection of the County Democrat Executive Committee to place another name on the ballot in the November General Election, I have decided to wage the write-in campaign."

He added, "I believe it is important that the voters of

## First Bale Received Here Wednesday

Hamlin Farmers Compress received the first bale of the season Wednesday morning, according to Charles Reed, assistant manager. Alton Terrell of Anson, who farms three miles east of Radium, received a \$50 premium for the first bale.

The bale weighed 535 pounds and the cotton was hand pulled. It was ginned Wednesday morning at Radium Gin.

Jones County should be given an opportunity to decide on the one that is to serve in this position. I believe the Executive Committee and the Commissioners Court made their selection to the best of their abilities on the information they had at hand. There were two members of the Executive Committee that were unable to be present when the selection was made to place "another name" on the ballot in November."

Lane and his wife and a son have lived in Anson 3½ years. He served as clerk of the 91st District Court in Eastland 26 years before resigning Mar. 1, 1969. He also served as deputy tax assessor-collector in Eastland County for more than two years.

Lane, who owns and operates Lane's Motel and Camper Park in Anson, was defeated by incumbent Leon Thurman in the June runoff for Jones County Judge.

## Singing Sunday

Third Sunday Singing at Calvary Baptist Church will begin at 2 p.m.

# Pipers to Play Indians At Haskell Friday At 8

The Pied Pipers will be seeking their second win of the young season when they take to the road to play the Haskell Indians in Indian Stadium Friday evening. The kickoff is set for 8 p.m.

The Indians, playing in Class A this year, will be seeking their first victory following their defeat last Friday at the hands of the Anson Tigers, 25-0.

The Pipers, defending District 6-AA champions, defeated the Rotan Yellowhammers, 62-0, in their opener here Friday. The Stamford Bulldogs were the lone member of District 6-AA that lost in the opening round of non-conference action.

The Bulldogs lost to Breckenridge, 33-0. Joining Hamlin and Anson in the winners circle were Winters over Clyde, 12-6, Ballinger over Brady, 7-2, Colorado City over Slaton, 13-6, and Coahoma over Reagan County, 20-6.

Coach David Bonds' Pipers came out of their skirmish with Rotan with only minor aches and bruises and are expected to be in good shape for the Indians Friday night. Coach Bonds is expected to start the same offensive and defensive units against Haskell that started against Rotan.

The Indians are expected to operate most of their offense out of the Tandem "I" formation with Gary McAdams, 165 pound quarterback, leading the Indian attack. Running in the backfield with McAdams will be Chris Love, 160 pounds, at tailback and Jim Pippin, 150 pounds, at fullback. At tandem back will be Randy Phemister, 175 pounds. McAdams is rated as a good ball handler and a good passer. Love is rated as a good running back who is

especially tough in open field. Scouting reports indicate that Pippin runs the trap plays real well and as in the past the traps are one of the favorite plays of the Indians.

Both the split end and the tight end are good pass receivers with Johnny Hawkins, 165 pounds, at tight

end, and Calvin Marshall, 150 pounds, at split end. The Indians flip-flop their line and at the tackle positions will be Johnny Larned, 175 pounds, and Charles Gray, 195 pounds. Playing guard will be Jamie Mickler, 170 pounds, and Adam Sanchez, 145 pounds and Les Lane, 175 pounds will be at center.

# Campaign for Cystic Fibrosis Planned Here

The month of September has been officially proclaimed Breath of Life month by Mayor Joe E. Ford and plans for the local Cystic Fibrosis drive are being made by Mrs. Fred Smith, chairman.

Mrs. Smith is hosting a coffee Monday at 9:30 a.m. at her home, 915 West Lake Drive, for all workers and others interested in the CF campaign on behalf of children who suffer chronic respiratory diseases.

Workers will receive street assignments and materials at the coffee. The women will be going door to door in the residential area during the week of Sept. 16-21.

Mrs. W. L. Hunter and Mrs. Robert Cary will canvass the business district.

The workers include Mmes. Leone Brown, Mattie Griffin, Paul Goodgame, E. A. Hewett, Bill Davis, L. B. Bruner, Johnny Waldrop, Jack Vaughan, B. V. Newberry, LaFoy Patterson, Lewis Madden, Erma Wallace, L. W. Shivers, Donald Young, Horace Drive, Edgar Duncan, A. G. Miller, Harold Nelson, Joe Norton, Ira Parker, Ken Prewitt, Archie Carson Jr., Harold Williams and E. A. Lawlis.

Other volunteers are urged to contact Mrs. Smith at 576-3747.

"We have dedicated volunteers, a national organization, renowned scientists and researchers and 100 diagnostic and treatment centers," Mrs. Smith said. "What we don't have is enough money. That is why the Lone Star Chapter, National CF Research Foundation, is appealing for financial support to expand research and care programs through the Breath of Life Campaign."

Contributions to the annual Breath of Life Appeal help support patient care in CF centers, many in teaching hospitals affiliated with leading medical schools. CF Centers offer expert diagnosis and treatment for children with CF as well as those suffering severe asthma, chronic bronchitis, bronchiectasis and a condition sometimes called "childhood emphysema."

Funds are also used for research conducted by scientists throughout the world to find the causes and a cure or more effective control for cystic fibrosis. CF strikes one in approximately every 1,000 newborns, the result of both parents carrying the recessive gene for cystic fibrosis. It is believed that about 10 million Americans are "carriers" for the gene for CF.

## Brenda Hodges To Present P-TA Program

Brenda Hodges, director of the Stamford outreach center of Mental Health and Mental Retardation (MH&MR) will present a film for the opening meeting of Parent-Teachers Association today (Thursday) at 3:40 p.m. The film "Just a Minute" concerns everyday family problems.

The meeting will be held in the primary cafeteria with Mrs. Guy Weaver, president, presiding.

A question and answer period will be held following Miss Hodges' program.

Miss Hodges, a graduate of Lueders High School received a BA degree in sociology from Hardin-Simmons University and has done graduate work at University of Texas at Arlington.

She worked 5½ years in the welfare unit in Fort Worth and was supervisor for two years.

Her parents, Mr. and Mrs. Dub Hodges now live in Abilene.

Free babysitting will be provided during the meeting.

## Date Change

Date for the In-Service training day for teachers has been changed from Monday, Oct. 14, to Monday, Oct. 21, according to Bob Hawes, Hamlin School Superintendent. Hamlin students will be dismissed from school on this day, he said.

The Hamlin Ag Club will meet Tuesday at 8 p.m. at the Ag. Building. The purpose of the meeting will be to make plans for the remainder of the year.

## Three Games Here Today

Three games will be played here today (Thursday) with Haskell with the seventh graders opening the action at 5 p.m. They will be followed by the eighth graders at 6 and the Junior Varsity at 7. The Hamlin freshmen will travel to Colorado City with their game set for 7 p.m.

Last week the local Junior Varsity hosted the Rotan JV's here with Hamlin winning, 40-6. The other three teams traveled to Aspermont with the seventh and eighth graders winning and the Freshmen losing.

The seventh grade won, 8-0, and the eighth grade won, 16-8. The Freshmen lost to the Aspermont Junior Varsity, 20-0.

## Church to Host Living Hands Singers Here

Dates for a return engagement of The Living Hands Singers from Waxahachie have been set for four appearances Sept. 20, 21 and 22, according to the Rev. Carl Amburn, pastor of the Assembly of God Church here.

The group is made up of 15 students from Southwestern Assemblies of God College and Winnie Dean, soloist. Chip Hawkins, the director will be singing and also will be interpreting in sign language for the deaf.

Presentations will be Friday and Saturday at 7:30 p.m. and Sunday at 11 a.m. and 6:30 p.m.

R. D. Caldwell has returned home after a 10-day stay in West Texas Medical Center in Abilene.

REV. MRS. WILSON  
... set revival here

## Foursquare Sets Revival Service Here

The Rev. Carl Wilson of Abilene, a full time evangelist, will conduct a four day revival at Foursquare Gospel Church beginning Sunday evening. Services will be held nightly at 7:30 through Wednesday. Sunday evening, Rev. Wilson, a former alcoholic, will tell his personal testimony of his conversion in a roundhouse yard in 1934.

He conducts tent revivals over the country. He has also been abroad with his ministry. He is also a musician and plays the piano, organ, trombone, violin and guitar. He uses these instruments in the services.

He and his wife are graduates of L.I.F.E. Bible College in Los Angeles, Calif. Also an ordained minister, Mrs. Wilson assists in the services and leads the singing.

The Rev. Claud Fry, pastor, and the congregation extend an invitation to the public to attend.

## Homemakers Install New Officers Here

A salad supper and installation of officers of the Hamlin Chapter Young Homemakers of Texas, was held Tuesday, Sept. 3, in the high school homemaking department.

Officers installed for the 1974-75 year were: Marcia Moore, president; Kathe Daniel, vice president; Jean Jeffery, secretary; Mary Ann Pritchard, treasurer; Judy Warner, reporter; Ann Hubbard, historian; Paula Butler, parliamentarian. Glenda Willoughby was installing officer.

Various subjects were discussed. Among them were the programs and projects for the coming year.

One of the projects discussed was a bake sale to be held Saturday Sept. 21, at 10:00 in front of the Thrift-Tee grocery. Each member is asked to bring one cake, two pies, or two dozen cookies, brownies, etc. Another project will be held Sept. 17. Members of the Young Homemakers will carry cake to the Holiday Lodge Nursing home residents. Cake will be served to the residents and afterwards, games will be played.

Members present were Marcia Moore, Anita Reid, Jean Jeffery, Vicki Warner, Kathe Daniel, Betty Self, Linda Frazier, Judy Warner, Sandra McCoy, Rita Oliver, Debbie Vickers, Ann Hubbard, Louise Pena, Margaret Lujan, Sue Giddings and Grace Oliver. Advisors present were Glenda Willoughby and Edith Carter.

All young women that wish to join Young Homemakers are urged to attend the next meeting Oct. 7. The deadline for all dues to be in is Oct. 15.

Mr. and Mrs. Herman E. Sharer visited Mr. and Mrs. Gary Connally and Shelley of Hico, Mr. and Mrs. Donald Wright, Ricky, David and Larry of Fort Worth, and Mrs. W. H. Miller and Mrs. N. O. Crockett of Denton while on vacation.

## A Better Way

TO SAVE YOU TIME AND MONEY

### FIFTEEN TIPS FOR MORE EFFICIENT FREEZING

You can put the freeze on high food prices if you use your freezer with forethought. The home economists experts at Whirlpool Corporation offer these cool suggestions:

1. Leave enough space in the freezer (one-quarter to one-third of its capacity) to take advantage of good food buys.

2. A freezer used just for long-term storage cuts no ice. It generally will not pay for itself and is a waste of food, electricity, and space. There should be a steady turnover into and out of it to make it profitable.

3. When you do keep food in the freezer, put in only two to three pounds of food per cubic foot of freezer space at a time. A twenty-cubic foot freezer, for instance, can take sixty pounds of frozen food at one time, placed in a single layer for quick freezing.

4. Label each package with its contents, date, and number of servings. Make a point of using a wax crayon or marking pen that's not affected by moisture.

5. Use a wall chart or notebook to record all the ins and outs of your freezer. A record is useful for shopping and selecting recipes and may keep you from going up the wall when you're unexpectedly out of a food item.

6. You can foil "freezer burn" if your food is well wrapped. Use carefully sealed moisture and vapor proof containers to keep food from dehydrating or drying out.

7. Don't use food containers not designed for freezing, or you may be in for a costly loss of quality and flavor.

8. Be expansive about space; don't fill a container too full. Allow room for the contents to expand or the top may come off. If the container is glass, it may even crack or break, instead of simply flipping its lid!

9. Blanching is one of the most important steps in freezing vegetables. Blanching or scalding is a hot process that arrests enzymatic action and stops ripening or maturing. It also helps vegetables retain color, stabilizes vitamin content and aids in vitamin retention.

10. The ice age has not yet arrived for mayonnaise, raw potatoes, potato salad,

hard cooked eggs, eggs in shells, fresh tomatoes, crackery canapes, cornstarch-based desserts and egg white frosting. Don't freeze them.

11. You may not have known it, but you can freeze nuts, margarine, large ice molds, apple cider, fruit juices, candied fruits, caramel candies, divinity, marshmallows, whipped heavy cream, potato chips, chopped fresh herbs, chopped green peppers, waffles, pancakes, orange and lemon peels.

12. Its best not to re-freeze foods which have been thawed. There's bound to be a quality loss.

13. When making favorite recipes, sauces, and soups, double the batch and put half into the freezer as a reserve.

14. Freeze foods in manageable sizes, such as individual servings in sealed bags, casseroles for four, etc. Cut and wash chickens before freezing.

15. Freeze portions of gravy or meat stock in an ice-cube tray. After they're frozen, remove and place individual cubes into freezer bags and use as needed.

If you follow these hints, you should be able to skate through the thin ice the economy is currently on without being out in the cold at meal times.

## Beta Theta Holds First Meeting Here

Beta Theta Chapter of Beta Sigma Phi met Saturday for the opening salad luncheon in the home of Mrs. Parker Kelley. The theme for this year's meetings is Stairway to Happiness.

Secret sisters were revealed with presentation of gifts.

Mrs. Randy Brown was given a surprise baby shower for her daughter, Holly.

In August, Beta Theta met in the city park with their families for a cookout.

The next meeting will be held Wednesday, Sept. 18, in the home of Mrs. Pat Willoughby.

## Baptist Women Hold Meeting Here Monday

Mrs. Bobby Stubblefield was hostess for the Monday meeting of the Baptist Women and The Day Group of First Baptist Church in the church parlor.

Mrs. Melvin Scott and Mrs. V. M. Wallace gave the program "Pray and Give for State Mission, Week of Prayer Sept. 8-14, Goal \$1,111,111.11." Mrs. Scott gave the call to prayer.

Mrs. Andy Brown played the piano and the group sang "It Took a Miracle" by John W. Peterson.

Refreshments of dip and chip crackers, cookies, cake, tea and coffee were served.

Others attending were Mmes. Fred Rosenbaum, S. C. Ballew, A. F. Haught, Edgar Duncan, Howard Jones, Herman Sharer and Miss Viola Avants.

Mrs. Haught gave the closing prayers.

## B&PW Club Holds First Meeting Here

The Hamlin Business and Professional Women's Club met Tuesday evening at Hamlin Restaurant for the opening business meeting of the new club year Mrs. E. W. Ueckert, president, presided.

Mrs. Ueckert reviewed the objectives for the year and expressed goals to elevate the standards, promote interest, and bring about a spirit of cooperation of Business and Professional Women.

Others present were Mmes. Etta Bond, W. O. Hays, W. C. Hargrove, Luther Haught, Melvin Scott, E. O. Sipe, I. R. Witt, Frank Shearer and Miss Viola Avants.

## Extension Agent Gives Tips On Buying Beef

Housewives are often at a loss when it comes to choosing among beef roasts offered at meat counters. It's hard to decide which would serve the family's needs best, Mrs. Nacy Wilburn, Assistant County Extension Agent, noted.

Each cut may vary in quality and tenderness depending on the particular carcass and location of the cut on the animal.

As a general rule, the agent explained that cuts of beef

## HEIDENHEIMER'S

FROM THE FILES . . .

FIFTY YEARS AGO

(September 18, 1924)  
Monday, Sept. fifteenth, marks the opening day of the West Texas Baptist Sanitarium. It is also the opening day of Simmons College for 1924-25.

The past week has been good to open cotton. The Hamlin gins and cotton yard have received many bales over the previous week. The general estimates for this year's crop keep ranging around the 10,000 mark. Some think it will be less and some believe it will be more. Evidently the turn-out will be determined by the amount of rain in the next few days. Should it rain plentifully there will be much more made and later in opening, however, if it continues to be dry it will not be long in getting the crop gathered.

Wednesday morning as was the program, the Hamlin Public School opened for the 1924-25 term. Every indication seemed to point to a successful year. Probably the largest number of parents was present that has been there in a long time. The large auditorium was crowded with students and visitors. Superintendent Green had a well thought out program, consisting of songs, addresses, special solos and announcements, all of which contributed to a very pleasant and auspicious start of the school.

Sunday night was the closing services of the few days meeting that was being conducted by Rev. A. W. Reaves, of Mt. Pleasant. The time was necessarily short, because Rev. Reaves time here was only "a between season period." But while he was here there was unusual interest taken in every service conducted.

TWENTY YEARS AGO

(September 10, 1954)  
One of the highlights of the first annual Tri-County Jubilee, Saturday will be the naming and coronation of the Jubilee Queen, in which scores of people are interested.

Although drilling activity in the Hamlin region continues to be below normal, one producer, a deepening project and three new tests highlight the oil picture for the past several days.

Plans are being formulated for the erection of a new meeting house for the Faith Methodist Church in Northwest Hamlin, it is revealed by Rev. Orion N. Lewis, pastor of the congregation.

One of the climaxing events of the afternoon and evening of festivities of the Tri-County Jubilee at Hamlin Saturday, Sept. 11, will be the three-hour program to be presented by talented amateurs of the region.

Annual get-acquainted gathering for teachers in the Hamlin Schools and citizens of the town is slated for next Thursday evening at the Primary School building. The affair will get underway at 7:30 o'clock. It is sponsored each year by the Elementary Parent-Teacher Association as a welcome to the teachers.

Neinda Philosopher Dying to Know Who Owns 700 Best Brains In U.S.

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One is back on inflation again this week.

Dear editor:  
Inflation reminds me of a famous statement—I forget who made it—about unemployment: "When you have high unemployment a lot of people are out of work." When you have run-away inflation you're in for some awfully high prices.

That's all I know about it, but what intrigues me is the attack that's going to be made on this world-wide problem. As I understand it, 700 of the "best brains in the United States" are being called to Washington for a summit conference to figure out what to do about it, all wearing belts I guess so they

can tighten them.  
I'm not interested at this point in their answers which will range from less spending to more spending, from higher taxes to lower taxes, to stiff wage and price controls to no wage and price controls, but I am interested in finding out who those 700 people are with the best brains in the country.  
For instance, will they be selected on a geographic basis? I mean, will they pick the best brains in say a Congressional district or so many per state or will they rub out such lines and just pick the best 700 brains in the whole country? Will it be by professions? Will it include football coaches? Congressmen? And who's going to do the picking?  
It's not going to be easy. For example how would you

go about picking the best brain in Hamlin? What if there's more than one? What if there aren't any? What if you pick the best brain in the whole county and he can't go to the meeting because he's busy trying to cover an over-draft?  
And furthermore, if those 700 top brains have the answer to inflation, how come they've been keeping it to themselves for the last 24 months? Or have they been thinking so hard they didn't know chewing gum is now 15 cents a package, gasoline 55 cents a gallon and sugar \$2.60 a pound?  
As I see it, the cure for inflation is lower prices, if you're buying, not if you're selling.  
Yours faithfully,  
J. A.

Rev. Darris L. Egger, pastor of the First Methodist Church, returned first of the week from Vera, where he conducted a revival meeting in the Methodist Church.

TEN YEARS AGO

(September 10, 1964)  
Competition is expected to get rougher this week as the Pipers journey to Olney for their second start of the season. While the Pipers were busy overcoming their mistake last week in defeating Rotan, Olney was upsetting highly regarded Albany 20-15.

More than one thousand students are enrolled in the five public schools here according to C. F. Cook, superintendent. The total enrollment of all schools is 1065 as compared to 1053 enrolled the first week in 1963.

The Boy Scouts of Troop 43 will have a Benefit Day at Burt Oliver's Service Station Saturday with the profit from all gasoline sales going to the Troop.

The Freshmen and "B" team will play Colorado City there tonight. Freshmen will begin at 6:00 and the "B" team will follow.

Mrs. Ned Moore, secretary of the Hamlin Board of Community Development, attended a meeting in Abilene, Thursday for representatives of area Chambers of Commerce. The group discussed a name for the district to focus attention on the general area.

NEWS AND VIEWS . . .  
And What Have You  
Continued from page 1

**OUTMODED EQUIPMENT**

This young man certainly won't get much real cleaning done with this broom. A modern street cleaning machine would do the job so much better. His straw broom makes us think of how we try to get along without God, without spiritual values, without church. Our life would be so much better if we would exchange this life for one that knows God and practices His precepts. Without church and God we have little or no spiritual equipment. Hearing God's word preached, being with his people, working in His church, helping others through the church all give us the spiritual equipment we need for meeting life. We invite you to attend this week and make a habit of coming to God's house.

**EVERYONE IN THE CHURCH  
THE CHURCH IN EVERYONE**

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## Singing Group To Give Two Programs Here

The New Life Singers will be at the Church of the Nazarene, Saturday at 7:30 p.m. and Sunday at 10:45 a.m.

This will be the fourth time this group has been in the local church and the pastor, the Rev. Marshall Stewart, said that they have been received with enthusiasm the other three occasions.

The program consists of a variety of gospel music and a devotional message by Doye Day.

In the singing group are members of the Doye Day family of Jacksonville and the Scotty Stockton family of Athens.

Rev. Stewart said, "We invite everyone in the community to join with us in

this time of inspirational music and Christian worship."

Following the Sunday morning service there will be a noon meal in the Fellowship Hall and every family is invited to bring food and join in the fellowship.

There will be no charge for the concerts. Rev. Stewart said a free will offering would be taken to defray the expenses of the New Life Singers.

FFA Chapter Names New Committees

The Hamlin FFA Chapter met Monday night for their first regular meeting of this school year.

The major item of business was appointing committees for the annual program of activities. Committees and their chairmen are Organization, Shorty McIlwain; Membership, Larry Griffin; Supervised Agricultural Occupations Experience, Richard Lee; Cooperation, Julio Villaneuva; Community Service, Gerry Young; Leadership, Jessie Ribera; Earnings, Savings and Investments, Russell May; Conduct of Meetings, David Moore; Scholarship, George Gonzalez; Recreation, Gary Neal; Public Relations, Ray Sonnenburg; Participation in State and National Activities, Donnie Nelson; and Alumni Relations, David Solis.

Other standing committees appointed were Chapter Safety, BOAC, and Educational Trip. Gerry Young heads the Chapter Safety Committee, Shorty McIlwain, the BOAC, and George Gonzalez, the Educational Trip.

The budget for the 1974-75 school year was adopted.

Steve Hastings, Kayla Mehaffey, and George Gonzalez were elected voting delegates to a Double Mountain District FFA meeting in Anson September 12.

The next regular meeting will be Oct. 14. At this meeting Green Hands will be initiated and a Chapter Sweetheart will be elected.

**SCORES TOUCHDOWN**—Daniel Willis (24) junior running back for the Pipers breaks loose for a 30 yard touchdown run against the Rotan Yellowhammers here Friday night. Leading the way for Willis is Delbert Thompson, 190-pound sophomore tight end. Thompson made a key block for Willis near the goal line to clear the way into the end zone. Willis carried the ball seven times against the Yellowhammers for 75 yards. Willis also intercepted one Yellowhammer pass and returned it 65 yards for a score. (Photo by Tim Jones)

# Pipers Outclass Rotan In Season Opener, 62-0

The defending district champion Pied Pipers gave the home town fans a thrill here Friday evening as they opened the new football season by completely outclassing the Rotan Yellowhammers, 62-0.

Johnny Jones, the Pipers All-State running back, led the scoring with 18 points but was joined by six other teammates in putting points on the board as the well-balanced Piper attack struck from everywhere on the field.

Senior quarterback Tracy Rowland passed for two Piper touchdowns and kicked six extra points in the versatile Hamlin attack. The Piper first offensive and defensive units rolled up a 41-0 lead during the first three periods and then turned the game over to the second units who put 21 more points on the scoreboard during the final period.

Jones carried the ball 13 times for 178 yards against the Yellowhammers for a 13.7 average. This brought his career record up to 472 carries in 32 ballgames for 4,528 yards for an average of 9.6 yards per carry. He has scored 364 points.

The Yellowhammers took the opening kickoff at their own 30 and after netting only two yards in three plays were forced to punt with the Pipers taking over on their own 36. But after Fullback Steve Evans picked up nine yards on first down the Pipers lost the first of three fumbles with Rotan taking over on the Hamlin 48. Jerry Carr carried four times for Rotan to gain a first down on the Hamlin 36. But three plays later Luke Reynolds picked off a Frank Lopez pass and returned it to the Hamlin 34.

Daniel Willis ripped off 28 yards to the Rotan 38, Jones picked up six yards, and Evans gained a first down on runs of two and six yards to the 24. Jones took the option pitch from Rowland and raced around his right end for

the first score. Rowland split the uprights for the point after.

Following the kickoff, the Yellowhammers moved back into Piper territory on a 12 yard pass play to the 43 and then gained five more yards to the Hamlin 38. But Lopez had his second pass picked off by a Reynolds only this time it was by Paul.

The Pipers drew a five yard penalty, Jones was stopped for a one yard gain and a fumbled pitch was ruled an incomplete pass to give the Pipers a three and 14 situation on their own 33. Rowland faked a short pass and then hit his tight end Delbert Thompson deep. The big sophomore raced into the end zone for a 67 yard touchdown play. Rowland again kicked the point after.

Rotan failed to make a first down on their next possession and punted out to the Hamlin 29. Willis gained six, Evans four and then Jones ripped off 27 yards for a first down at the Rotan 34. Rowland passed to split end Oscar Marshall for seven, Jones was dropped for a three yard loss, and Willis was held for no gain. Facing fourth and six, the Pipers called on Jones for a trap play over right guard and the speedster went the distance for the score. Rowland missed the extra point kick.

Rotan failed to make a first following the kickoff and punted. A penalty put the Pipers back to their own 14 and after moving out to the 38 the Pipers lost another fumble to the Yellowhammers, but three plays later Rotan gave the ball back on a fumble with William Brown recovering on the Hamlin 9.

Evans carried twice for a first down at the 29, Jones picked up five, Evans two and then Jones got another first down at the 48 with an 11 yard carry. Rowland connected with Marshall for a 52 yard touchdown pass with 2:30 left in the first half. Rowland added the point after.

The two teams exchanged punts to open up the second half with Willis returning the Rotan punt to mid-field. Rowland gained seven yards and then Jones went over his right tackle for 43 yards and the score. Rowland again added the point after.

Rotan again failed to make a first down following the kickoff and were forced to punt. Hamlin took over on their own 45 from where

Evans and Jones moved the ball to the Rotan 42. Rowland carried for 12 to the 30. Willis carried over his left tackle, dodged several would be tacklers, picked up a good block from Thompson near the goal line and slipped in for the score. Rowland's kick was good.

Rotan again failed to make a first down following the kickoff and punted out to the Rotan 46. The Piper second units took over at this point and moved down to the Rotan 21 on a 30 yard pass from Paul Reynolds to William Brown only to lose the ball on the next play on a fumble.

The second defensive unit gave up a first down on a 15 yard pass play and then forced the Yellowhammers to punt from their 32. Robert Phariss and Ricci Harugthy gained a first down at the 30, Reynolds gained six and then one and Phariss carried for 11 yards to the Rotan two. Harugthy carried in for the score and Rowland kicked the point after.

Rotan moved the ball into Hamlin territory following the kick on an 18 yard pass play to the Hamlin 38, but when Lopez tried the air route again on the next play it was Willis who was on the other end and he raced about 65 yards for another Piper score. When Reynolds failed to get the ball in position for Rowland's kick for the point after, he raised up and threw to Thompson for the two pointer.

Rotan again tried the air route, only to have Rowland take this one and return it to the Rotan 48. Harugthy carried for eight yards and then Rotan was set back 15 yards to their own 25. The Pipers drew a five yard penalty and then Phariss carried for three, Harugthy for eight, and Phariss carried the final 19 yards for the touchdown. Gerry Young tried the point after but it was blocked.

Rotan moved down to the Hamlin 29 before giving up the ball on their final possession. The Pipers ran out the clock and went into the dressing room with their first victory behind them, 62-0.
